Kulture Cafe Celebrates 1 Year Anniversary.

A heartfelt thank you to everyone that supported us in one way or another over the past year and in this most challenging of times. It is only because of you that we continue to exist. Thank you for believing, thank you for depositing your confidence in us. Thank you for your encouragement and prayers, this was only possible because you continue to believe. Thanks to our community of San Nicolas for believing and supporting us. For the residents of other districts that journey to San Nicolas to support us. We say thanks from the bottom of our hearts.

Four months after opening Covid entered our island. Forced to close our cafe with so much uncertainty about our company, employees, future and continuity. We retreated, refocused, reopened our doors and retained all employee. Yet, you all were there to welcome us and continue to support us. We invested in our community, support social projects and institutions, collaborated with other entrepreneurs and will continue to give back every opportunity we get.

Thanks to our employees that show up and put their best foot forward every day. Thanks for your service and commitment. Thanks for ensuring every guest has a memorable experience. We are what we are because of you all!

To every aspiring entrepreneur; never let anyone tell you that you can't, that you shouldn't follow your dreams, that you will never make it. With hard work, determination and sacrifice everything is possible.

Eternally grateful and looking forward to serving our community of San Nicolas and our island for many years to come!

Aruba Support Your Own Local Artist.

We took a trip in the hotel area to see how the economy was going, and after walking into some big name hotels, we passed a station that had souvenirs for sale "hand made Aruba cunucu house" one time our mind went to our friend in purple Naomi cunucu house who always hand makes her houses and sell at every local event, but to our surprise these were knockoff cunucu houses, and were not even hand made. We as a community have way to much REAL local talent that present quality work to our visitors from around the world, this is Aruba not "Made in china" Please buy local artist, and support their hard work. Here is our friend, and the real Local cunucu house making person at work.
